12 UNITED STATES DISTRICT COURT  
13 DISTRICT OF NEVADA  
14

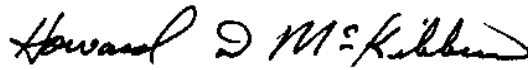

15 AHUDI, LLC, FORMOSTAR LLC, ) 2:09-cv-01429-HDM-RJJ  
16 Plaintiffs, )  
17 vs. ) ORDER  
18 JOYCE PETERS, et al., )  
19 Defendants. )  
20

21 On September 21, 2010, the court granted plaintiffs up to and  
22 including December 10, 2010, in which to serve defendant Elektro  
23 Medical Geraetebau ("EMG") in accordance with the Hague Convention.  
24 On September 28, 2010, plaintiffs filed proof that EMG had been  
25 served on September 21, 2010. While the affidavit of service  
26 itself (#35) is not specific as to which documents were served, the  
27 exhibits attached to plaintiffs' September 20, 2010 motion for an  
28 extension of time make clear that on September 7, 2010, plaintiffs

1 dispatched German translations of the complaint and summons to  
2 Germany for service. (See #33 Exs. 3, 5, 10, 11). Accordingly, the  
3 record reflects that EMG has been properly served with the summons  
4 and complaint in accordance with the Hague Convention. As EMG has  
5 failed to plead or otherwise defend in this action and the time for  
6 filing a responsive pleading has expired, the plaintiffs' request  
7 for entry of default against EMG (#50) is hereby granted.

8 **IT IS SO ORDERED.**

9 DATED: This 21st day of December, 2010.
